

The Chelsea Express Consent Form

Dates: Thursday September 16 for PhDs and Bachelors
Friday September 17 for Masters and Undergrads

There are a few children who will be travelling on the alternate day due to numbers and organisation of parent helpers. You will be notified if this is the case. The children will be assigned to carriages and will have a 'buddy' from the other syndicate for the day - i.e. a child from Masters will be 'buddied' with an Undergrad.

Time: Train leaves for Hamilton from Platform 4 in Parnell at 7.50 am. **The children must be at the station no later than 7.20am.**
Train returns to Platform 4 at 5.20 pm
(We will send a map home at a later date, giving directions)

Cost: \$45 for each child
There are no seats left for extra adults.
The train fare must be paid by Thursday 9 September.

Parents, it is up to you to deliver your children to the station and collect them at the end of the day. We suggest you carpool where possible. It may be a good idea to get over the bridge extra early and have breakfast on the other side. The train will not wait for latecomers, due to main line scheduling.

There will be regular newsletters with information about what the children will need to bring with them and details for the parents who are accompanying us.

Please return the tear-off slip to the office by the end of this week, so we can confirm numbers. The fare (non-refundable) may be paid now or anytime before 9 September.
