

Chelsea Sports Newsletter 2018

It's going to be another great year at Sport for Chelsea!

During 2017 we had over 60% kids participate in sports across our sporting codes and events offered - basketball, netball, flippa ball, cricket, soccer, touch rugby, TRYathlon, Mud Run and swimming and a number of kids participating at the traditional inter-school events, cross country, athletics and swimming!

We strive at Chelsea to be able to offer opportunities to get kids moving and giving a variety of Sports a go, so, to have over 60% of kids participate in sports was fantastic!

Sports Website

We are currently undergoing an update of the sports information held within the sports section of the School website. We are aiming for this to be completed over the next few weeks. Please keep checking the school website for updated sports information - it will hold all the information you need to know about sports at Chelsea.

If you feel anything is missing please contact Cary Mckechnie carymckechnie@gmail.com

Fundraising

During 2017 the Sports Committee have organised a number of BBQ's to fundraise money to go towards sports equipment and opportunities. During 2017 we raised just over \$3,000.

Below is an overview of what Sports and equipment we have funded throughout the school last year. The difference comes from the fun run fundraising that was made during 2016.

First Aid Kits	12 kits brought through Millen.	\$274.95
Flippa Balls	4 x Flippa balls	\$170
Flippa	3 x Flippa Ball Coaching Manuals	\$60
Netball	X Netballs	
Basketball Hoop	The last of the hoops on the bottom court were taken down and replaced, with all four basketball hoops now being replaced	\$2694
Sports Uniforms	\$600 credit held with Lenco - we purchased an extra 30 shorts at a cost of \$779	\$179 (after credit)
Netball Dresses	We needed to buy a further X number of dresses	\$1400
Kindo Admin Fees	In moving to on-line payments it has meant there are additional fees that need to be paid with every payment that is being put through the on-line system. As a committee we decided that part of our fundraising would cover these additional costs and not have them transferred to parents.	TBC
School Flag for sports days		\$460
AFL Kick	For YR's 1-6	\$2,500
On Board	For YR's 3-6	\$2,000

Jump Jam CD	Current CD for use across all school	\$615
Coaches Bags	With the increase in the number of sports teams at Chelsea we be looking to purchase another 12 coaches bags, this year, which will also replace some of the older bags that are a bit worn.	TBC

If you have any thoughts on where you believe money fundraised should be spend then we would love to hear your thoughts and ideas on opportunities that support the Chelsea values, goals and Sports Vision so please send your ideas to Peter Anderson peter@chelsea.co.nz

Sports at School

During 2017 there have been a number of sports organised during school time such as:

- Kiwi Baseball – YR0,1,2
- Taekwondo – YR0-4
- KiwiBall – YR0,1,2

There will again be a number of sports opportunities organised during 2018 providing students with new and varied opportunities to develop and learn new skills/sports.

Swimming Caps

The Sports committee have purchased 200 swimming caps with CHELSEA printed on both sides. We intend keep 100 caps giving one to each child qualifying for the inter-school swimming team as we don't have a swim uniform. This will help our swim teams band together more as a school team, but is also a great way to identify our swimmers.

We anticipate that 100 caps will cover 2-3 years of inter-school swimming events.

The other 100 we wanted to give back to the school community so we are offering discounted swimming caps to those parents/children interested.

Caps can be purchased from the office for a subsidised price of \$4 for those interested.

Final Thank you!

As a sports committee, we just want to take a moment to recognise those parents who have gone above and beyond to help support Sports at Chelsea, through helping us with fundraising BBQ's, timekeeping or helping to oversee the smooth running of our sport events, assisting with transports to and from events or giving up their time to coach or manage a team. Sports at Chelsea would not be what it is without you and the Sports Committee appreciate all the time you have given up to help us make sports great at Chelsea.

We look forward to working alongside you all again in 2018!
